

Grid

Grid Armchair

The Grid family of lounge seating caters to both collaboration and individual space, providing people the flexibility to switch between the two effortlessly. The Grid Armchair, featuring a high back with a wrap-around acoustic panel and a diverse range of upholstery fabrics, perfectly complements any interior design scheme, making it a comfortable and stylish addition to any setting.

Grid Sofa

The Grid Sofa is part of the wider Grid family of high-back lounge seating. The integrated acoustic panel serves as a room divider while the compact sofa also provides the centerpiece of an informal collaborative setting. The wide variety of upholstery options helps Grid Sofas blend seamlessly into a range of spaces. Power units
