Axis

A gathering space is more than a place. It is a creative hub that sparks collaboration, connection, and culture. The Axis collection is a platform of chairs, stools, and tables that enable your business to respond to changing needs while complementing your distinctive style.

Design

Axis is a coordinated offering of seating and tables for today's active, multi-user environments. Seating is available in multiple styles, including counter height, while tables feature a variety of top shapes and finishes.

Material

Axis chairs and tables are available in a variety of colours and base finishes.
